Change Rooms + Water:

There are no change rooms available on-site. As well, there is no drinking fountains. So students should bring water with them

Race Course:

The course is primarily flat with some gentle rolling hills. 100% of the course is on grass. There are a few gravel trail crossings. **7mm and 9mm spikes are recommended.** See page 4 for a course map!

Awards:

The top five racers in each race receive "top five" t-shirts. The top four runners (scoring runners) in the first team also receive "top team" t-shirts. If a runner receives a "top-five" t-shirt prize and is also on a winning team, his or her team t-shirt should be awarded to a fifth runner on his or her team.

Meet Name: Colts Classic XC

Meet Code: MLJG7

Meet Date: Oct 2, 2024

Entry Close Date: September 30, 2024 @ 06:00 pm

**If this is your first meet with the Track Database online entries:
(Returning Users, see below)**

Select 'Register' from the menu on the left to bring you to the registration page that will allow you to register your team. On your first visit to the registration system, you will need to provide all the information required. OFSAA & CISAA have restricted modification abilities as much of their information is generated automatically.

Registration now uses a username and password, the username you create must be unique and cannot be changed. This username and password can be shared between the coaching team to allow multiple coaches to do registrations for segments of the team.

When you enter team data, be sure to use an email address which is checked often as any communication with either the meet convener, or trackDatabase.com will likely be time sensitive. Using the online entry system, your entries will be emailed to you prior to the entry close date in order to allow you time to review your entries and make any changes needed. These dates are set by your convener and should be noted in your meet package.

Returning Users:

Select 'Login' from the menu on the left and use the username and password from your previous meet(s).

Joining a Meet:

To join a new meet, select 'Join Meet' from the left menu. You will be prompted to enter the meet code provided by the convener. After entering this code and clicking the join meet button you will be added to the meet and it will now appear on your meet homepage.

Adding your entries:

The sign-up for relays is located under the "Athlete" heading. Select 'Relay Entries' to access to those events. It is automatically added to your entries list. Registering athletes for relays is done here as well.

For all other events, you can select them in the edit view for each athlete, check the box beside the event to register for it, clicking submit at the bottom of the page will save the data entered. Seed times may optionally be entered for running events in the box provided.
